JOHN OWEN, RIVER FARM

Tuesday, April 25, 1922

Sale to be held at the Model Mill Stock Farm, 2½ Miles
Northwest of Noblesville, on Lafayette Pike

ANNOUNCEMENT

WE take great pleasure in extending to all lovers of Shorthorn cattle this greeting. Four years ago we purchased our first Shorthorn animal, and although our foundation stock was purchased at a level much above the present basis, we have never once regretted that we became identified with this great industry. We believe that it was our privilege (while laying in foundation stock) to buy the choicest animal from the various breeders because of the extreme values they would bring. Thus our matrons are of a very high standard and it will be our aim to produce cattle of quality during our connection with the cattle industry.

Mr. Owen, not having made a sale last year and having a very fine lot of cattle to pick from, consented to join us in making this spring offering. We are therefore offering in this joint sale a choice lot of cattle and invite those who contemplate starting new herds to come and see if the quality offered is not of interest to them. We extend the invitation to every breeder of Shorthorns and believe the class of cattle we are offering will please the most scrutinizing breeder.

All animals sold subject to a 60-day retest, test to be made by veterinarian from the state department, or a veterinarian recommended by same.

Calved Nov. 8, 1921 white heifer calf, by Gartly Lansdowne has proven one of the greatest stock bulls of his day. His dam, Mary Anne of Lancaster 16th, is also the dam of Gartly Landsøer the champion bull at the Cupar Highland Show. She is also the granddam of Gartly Lancer, grand champion of the 1919 English Royal Show, that has the record as the highest priced bull ever sold in Britain, having been sold at Penrith to Mr. A. J. Marshall for 4,750 guineas for shipment to the Argentines.

Proud Wander 122249, SIRE of Gartly Lansdowne, sold for export to the Argentines for 1,000 guineas. His sire, Proud Ator, was the 2d prize bull at the Highland Society's show and his dam was by the noted bull, Pride of Avon and was a full sister to a bull named Avondale that was second at the English Royal and was sold for shipment to the Argentines for 3,000 guineas.

Thus it will be seen that Gartly Lansdowne is closely related to the best that has been produced in Britain.

Im. Gartly Lansdowne is the most typical type stock bull I have ever used or handled in my life.
